

New Judicial Branch Web Site

www.supremecourt.ne.gov

The screenshot shows the homepage of the Nebraska Judicial Branch website. At the top, there is a search bar and the text "NEBRASKA JUDICIAL BRANCH" with the tagline "The People...". Below this is a navigation bar with links for "Public/Families", "Court Community", "Students/Teachers", and "The Press". A "Menu" is located on the left side, listing various court services such as Home, Supreme Court, Court of Appeals, District Courts, County Courts, Separate Juvenile Courts, Workers' Compensation Courts, Drug Courts, Problem Solving Courts, Small Claims Court, Administrative & Court Offices, Appellate Court Offices, State Library, Interpreters, Jury Service, Mediation, Probation, Self Help, and Guardians &. The main content area features a "Welcome" message from the Chief Justice of the State of Nebraska, Honorable Mike Heavican, with a photograph of the judicial branch members. On the right side, there are "Quick Links" for Court Opinions, Supreme Court Rules, Administrative Memo Reports & Publications, and JUSTICE Subscriber Information, each with an RSS icon. Below the quick links is a "Press Releases" section with two entries: one for February 1, 2006, regarding an application deadline for county court judge vacancies, and another for January 10, 2006, regarding the submission of names for district court judges.

Site improvements include:

- RSS feed on opinions, rules and press releases
- Enhanced menu selections and navigation
- Google search feature on full site
- New pages for Probation, JBE, Jury Service, Problem Solving Courts, Guardians and more.
