

NEBRASKA SUPREME COURT ADMINISTRATIVE OFFICE OF THE COURTS AND PROBATION

THE LB 529, PASSED BY THE NEBRASKA UNICAMERAL, PLACED THE PROBATION SYSTEM UNDER THE AUTHORITY OF THE NEBRASKA SUPREME COURT EFFECTIVE JULY 1, 1986.

JULY MARKS NEBRASKA PROBATION SYSTEM'S 20-YEAR ANNIVERSARY WITH SUPREME COURT AND NATIONAL PROBATION, PAROLE AND COMMUNITY SUPERVISION OFFICERS' WEEK

During the week of July 16th through the 22nd, 2006, people across the United States and its territories will join together to recognize the work that probation, parole and community supervision professionals do for our public safety.

Since 1841, the practice of probation and parole has played a vital role in our justice system. These professionals are

a critical part of the public safety system.

These professionals exhibit care and concern for victims of crime and our communities while at the same time holding offenders accountable. One hour they may be a counselor, the next they are enforcing the rules of an offender's supervision. Later they may be helping a single mother find daycare and, later that same day,

they may be helping someone find a job. They are problem-solvers, crime prevention specialists, motivators, educators, facilitators and oftentimes, they are the only support system an offender may have.

Probation and community corrections professionals are to be commended for the bravery they show when making home visits to the over 4.8 million adults under community supervision to areas that most people would never enter. The work they do is unnoticed and least known about, yet it is one of the most important jobs in public safety.

Join the Nebraska Supreme Court in thanking our Probation co-workers for the innovation and dedication that is shown by our officers here in Nebraska.
