(A) Electronic Filing System. Electronic filing system (E-Filing System) approved by the Nebraska Supreme Court for filing of pleadings, motions, and other papers (Documents) via the Internet through the court-authorized service provider.

(B) Electronic Filing. Electronic filing (E-Filing) is the transmission of Documents to the Clerk of the Court, and from the court, via the E-Filing System.

(C) Electronic Service. Electronic service (E-Service) is the transmission of Documents to any party in a case via the E-Filing System. Any party or attorney who has registered to use the E-Filing System thereby agrees to receive service of any Document, other than service of a summons or initial pleading, via the E-Filing System.

(D) Durable Medium. Durable medium shall be any information storage medium that is created by a durable process. A process shall be the combination of hardware, software, storage media, techniques, and procedures used to manage, create, store, retrieve, and delete information belonging to the party required to maintain the record. A process shall be durable if it meets the following criteria:

- (1) The process is capable of creating and storing information for the required records retention period.
- (2) The process can be migrated to a successor process when necessary and will retain all information available in the original process after migration to the successor process.
- (3) The process maintains the integrity of information in a readily accessible manner, makes it retrievable, makes it processable through an established usual or routine set of procedures using available hardware and software, and makes it accurately reproducible in a human-readable form.
- (4) The process provides for disaster recovery backups, which are periodically, depending on a retention schedule, verified for restorability and readability, and can be stored in a separate geographical location from the original information.
- (5) The process is demonstrated to create and maintain information for the retention period as specified, in an accurate, reliable, trustworthy, dependable, and incorruptible manner.
- (6) The process allows the removal of information when it reaches the end of its required retention period.
- (7) The process is documented so as to demonstrate to a reasonable person compliance with these criteria.

COMMENT

The definition of “durable medium” is modeled on 430 Neb. Admin. Code, ch. 1, § 001.18 (2009).

§ 6-401(A) amended and § 6-401(C) deleted August 12, 2008; § 6-401(C) adopted January 21, 2010; §§ 6-401(C) renumbered to (D) and new (C) adopted December 22, 2010, effective May 1, 2011.

§ 6-402. Pilot project; schedule of courts; suspension.

E-Filing is authorized on a pilot project basis for certain cases filed in specified district and county courts in Nebraska, as set forth in a schedule by the Administrative Office of the Court, as revised from time to time. At the discretion of the Chief Justice, in consultation with the presiding judge of the particular court, E-Filing may be suspended in certain courts that are experiencing technical difficulties.

§ 6-402 amended August 12, 2008.

§ 6-403. Attorney registration.

For purposes of the pilot project, only attorneys licensed to practice law in Nebraska may register to use the E-Filing System. Any attorney so registered may make an entry of appearance through E-Filing.

§ 6-404. Initial pleading and summons; copy costs.

Under the pilot project, cases may be commenced under Neb. Rev. Stat. § 25-501 through an E-Filing; however, service of the initial pleading and the summons shall not be made by E-Service. The electronic filing of a complaint or other initial pleading from which printed copies can be made shall be deemed compliant with the requirement of Neb. Rev. Stat. § 25-504.01 to supply copies of a complaint. The court clerk shall print sufficient copies for service with the summons. The party filing such complaint or pleading electronically shall be deemed to have consented to pay the reasonable expense of printing such copies. The summons and any required attachments to the summons shall be provided in printed form by the court clerk and shall be served in accordance with Neb. Rev. Stat. § 25-505.01 et seq., unless service is waived or otherwise excused by law. If an attorney who has entered an appearance in a case has not registered for E-Filing, then service of the e-filed pleading upon that attorney shall be made as required by law.

Rule 4 amended December 20, 2006. Renumbered and codified as § 6-404, effective July 18, 2008; § 6-404 amended August 12, 2008; § 6-404 amended December 22, 2010, effective May 1, 2011.

§ 6-405. Pleadings allowed by E-Filing.

For cases under the pilot project, Documents which are required by Neb. Ct. R. Pldg. § 6-1105 to be filed in the office of the court clerk may be filed through an E-Filing.

§ 6-406. Time of filing.

All Documents electronically received by the court clerk by 11:59:59 p.m. local time shall be deemed to have been filed on that date.

Rule 6 amended June 4, 2008. Renumbered and codified as § 6-406, effective July 18, 2008.

§ 6-407. Maintaining copies.

(A) Except as provided in subsection (B) of this section, a copy of an E-Filed Document with original signatures shall be maintained either in paper form or in electronic form. A copy maintained in electronic form shall be stored using a durable medium as defined in § 6-401. The copy shall be maintained by the filing party and made available for inspection by other parties or the court upon request, but shall not be filed with the court. Where these rules require a party to maintain a Document, the filer is required to maintain the Document for a period of 2 years after the final resolution of the action, including the final resolution of all appeals.

(B) Where an E-Filed Document is signed by only the attorney using the E-Filing System, the attorney shall not be required to maintain a copy of the E-Filed Document.

§ 6-407 deleted and § 6-408 renumbered to § 6-407 on August 12, 2008; § 6-407(A) amended January 21, 2010; § 6-407(B) adopted January 21, 2010.

§ 6-409. Signature requirements.

Use of the E-Filing System by an attorney shall constitute compliance with the Neb. Ct. R. Pldg. § 6-1111 signature requirement and the attorney using the E-Filing System shall be subject to all other requirements of Neb. Ct. R. Pldg. § 6-1111 and Neb. Rev. Stat. § 25-824 et seq. Signatures of parties, witnesses, and notaries and notary stamps may be typed using the signature format “/s/ [typed name]” and using the stamp format “seal, notary public, State of [state name],” and commission expiration date and E-filed to satisfy signature and certification requirements. If the notarial commission of the particular notary public whose seal is being depicted is limited by county, the filing party shall use the stamp format “seal, notary public, State of [state name], County of [county name].” Other seals or stamps, such as those of courts, public bodies, agencies, or officials, or corporations, may be typed using the stamp format “seal, [alphanumeric content of seal].” Signatures of parties, witnesses, and notaries, and notary stamps or other seals, shall not be typed or otherwise depicted on E-Filed Documents unless the filing party has possession of the original document or documents bearing such signatures and stamps.

Upon satisfactory proof that E-Filing or E-Service of a Document is not completed because of (1) an error in the transmission of the Document to the E-File System service provider which was unknown to the sending party or (2) a failure to process the electronic filing when received by the court clerk, the court may enter an order permitting the Document to be filed as of the date it was first attempted to be sent electronically. Notwithstanding the foregoing, no order may be entered under this rule which expands the statutory time period for commencing an action or perfecting an appeal unless there is an affirmative showing that the failure to make a timely filing was due solely to an E-Filing System internal transmission error or a processing error by the court clerk.

COMMENT

The court-authorized service provider for the pilot project is Nebraska.gov and the State of Nebraska Office of the Chief Information Officer. (Effective April 1, 2008.)

At present, the system is not set up to allow E-Filing by pro se litigants or attorneys not licensed to practice law in Nebraska. The Supreme Court contemplates that E-Filing participants may be expanded in the future.

Comment amended August 12, 2008.

Originally adopted September 27, 2006.
