You shall update your registration, in person, to the sheriff of the county in which you are located, on a form approved by the sex offender registration and community notification division of the Nebraska State Patrol at least once every thirty (30) calendar days during the time you remain without residence, temporary domicile, or habitual living location.
- If you are required to registered but are incarcerated for more than three (3) working days you shall inform the sheriff of the county in which you are incarcerated, in writing, within three (3) working days after incarceration, of your incarceration and your expected release date, if any such date is available. Prior to any type of release from incarceration, you are to report your change of address to the sheriff of the county in which you are incarcerated and to the county sheriff of the county in which you reside or are temporarily domiciled.
- If you are employed, carry on a vocation (part-time or full-time; with or without compensation), or attend school (part-time or full-time), you must inform, in person, the sheriff of the county in which you are employed, carry on a vocation, or attend school and complete a form as prescribed by the Nebraska State Patrol for such purpose, within three (3) working days after becoming employed, carrying on a vocation, or attending school. You must provide the name and address of each work site and education institution. You must also notify the sheriff, in person, of any changes in employment, vocation, or school attendance, and complete a form as prescribed by the Nebraska State Patrol for such purpose, within three (3) working days after the change.
- If you reside, have a temporary domicile, or are habitually living in another state, and are employed, carry on a vocation (part-time or full-time, with or without compensation), or attend school in this state (part-time or full-time), you must report and register, in person, with the sheriff of the county in which you are employed, carry on a vocation, or attend school within

- three (3) working days after becoming employed, carrying on a vocation, or attending school. - You shall, in person, inform the sheriff of any legal change in name, within three (3) working days after such change and provide a copy of the legal documentation supporting the change in name.
- If, while residing, being temporarily domiciled, or having a habitual living location in this state, you go to another state to attend school or work, you must comply with the registration requirements of both states.

You must complete a full registration. Fingerprints, palm prints, a DNA sample if not previously collected, and a photograph will be obtained by any registering entity in order to comply with the registration requirements.
